

Cyber Wellness Pledge

School's copy
P2 to P4 students

Coral Primary School

The Internet is where I can learn and play. I pledge to have good and healthy online habits and to make it safe for me and you:

I will be safe

- I will keep my personal information (e.g. name, age, address, phone number, photograph) private.
- I will only chat online with people I know in real life and avoid meeting up with anyone I do not know in real life.

I will be responsible

- I will obey the age requirements of all online accounts (e.g. social media, video, chat services).
- I will practise healthy online habits (e.g. limit my time online, take regular breaks from online activities, avoid Internet use before bedtime).

I will be respectful

- I will show respect when communicating online.
- I will seek permission to use other people's work online and give credit to other people's work that I use online.

I will be a positive influence

- I will make positive and healthy choices on the activities that I do online.
- I will report to a trusted adult if I see anything online that makes me or my friends feel angry, sad, or uncomfortable.

For me:

I, _____, of
class _____, pledge to be a
responsible digital learner.

My Signature: _____

Date: _____

For my parents:

I am happy my child has pledged to be
a responsible digital learner. I will support
and guide him/her when he/she uses the
Internet.

Acceptable Use Policy (AUP) Agreement

Dear Student,

Computing devices are used to support your learning in school and internet access allows you to share resources and interact with people from all over the world. To ensure that all students have a safe, conducive online learning experience, please abide by the following rules when you use any computing device in the school.

General

- I will use school-owned computing devices for learning and research only.
- I will not play games during lessons unless instructed otherwise by my teacher for teaching and learning purposes.
- I will not surf the internet without guidance from my teacher during lessons.

Account Ownership

- I will keep my password a secret and not share with anyone.
- I will not share my personal information (e.g. home address, email address, phone numbers, account IDs, passwords and/or personal pictures) with anyone online.

Use of Internet

- I will take care to check for reliability and accuracy of information that I access and note that the content of some websites may not be correct or truthful.
- I will not download, copy or share videos, music, pictures or other people's work without permission.
- I will report any online encounters with strangers to a trusted adult immediately.
- I will not harm, bully or say unkind words to others.
- I will not take and post a picture or video of others without their permission.

Failure to adhere to the rules above will result in disciplinary action in accordance to the school's discipline policy.

Student : I understand and agree to follow the rules stated in this Agreement.

Name : _____

Class : _____

Signature : _____

Date : _____

Parent : I have read, discussed and explained the Agreement to my child. I will engage my child to have a better understanding about his/her daily online activities. I have also noted that as stated in the terms of use of social media platforms (e.g. Facebook, Instagram, Twitter), the minimum age required to set up an account is 13 years of age.
