Dear Parents

1. MOE has been encouraging schools to conduct school-based Conversational Chinese Language (CL)/Malay Language (ML) programme for their students since 2005. The aims of introducing Conversational CL/ML in schools are two-fold: to strengthen Singapore's multiracial compact and to enable Singaporeans to have some grounding in functional CL/ML, so that they could more easily pick up the language should they need it for economic reasons or other reasons in adult life.
2. We will be offering **Conversational ML/CL programme** as an after-school enrichment programme for P3 and P4 students in 2016. Students already taking ML during Mother Tongue (MT) lessons will learn Conversational CL while those taking CL as Mother Tongue will learn Conversational ML. Students who take TL or NTIL or are exempted from MT could choose either Conversational CL or ML. As for International Students (IS) who are taking ML/CL during Mother Tongue lessons, they are advised to take up the same MT for Conversational ML/CL programme.
3. Students are advised to learn one conversational language only so that they can focus on gaining some grounding of a conversant language.
4. Next year, all **Primary 3 students** are required to attend the 12-hour **Beginner** Conversational ML/CL programme (compulsory) in Term 1. In addition, we are also offering 12 hours of **Basic 1** Conversational ML/CL programme to the P3 students in Term 2. The lessons will be held on **Thursdays** and each lesson will last 1.5 hrs from 2.10 p.m. to 3.40 p.m. , for a duration of 8 weeks. More details will be given next year.
5. Please indicate your child's/ward's option for the Conversational ML/CL Programme and return the reply slip to the form teacher by Monday, 9 November.
