Dear P5 Parents/Guardians,

## **Re: 4-day Visual Arts Immersion Programme to Penang, Malaysia**

The school is organizing a 4-day Visual Arts Immersion Programme to Penang, Malaysia to provide our students with a platform to immerse in the visual arts culture beyond Singapore. The trip includes visits to two local primary schools where our students will interact and network with their peers in Penang. The experience will also allow our students to think about their roles as citizens living in an inter-connected global community and the important role of visual arts in the preservation of our heritage.

The application is open to all the Primary 5 students. If you allow your child/ward to go on this trip to Penang, please submit the Application Form to the form teacher by **Friday, 4 July 2014**. **Only 50 applicants** will be selected and they will be informed by **Friday, 18 July 2014**.

The tour fare for each student will cost approximately **S\$679**. The breakdown for the cost for Singapore Citizens and Permanent Residents/International Students can be seen below:
